

THE BOY POPULATION AT ST. JOHN'S SCHOOL is more than 2 to 1 greater than that of the girls in the first grade. Seven girls and 17 little boys were present the day the photographer visited them. Front row, left to right, are Vilma Sue Highsmith, Christina Santos, Robert Bader and David Schmidt. Second row, Russell Hermes, Peter Miller, Paul Mil-

ler, Gerald Bendele, Patrick Seifert and Fredrick Schueling. Third row, Robert Naegelin, Neil Pot Finger, Gary McCaffrey, John Paul Rohrbach, John Joseph Sturm, Danny Schan and Bob Zerr. Top row, Deborah Forgy, Deborah Schueling, Janet Johnson, Judy Zerr, Mary Elizabeth Pope, Larry Muennink, and Timothy Kollman.

PTA Sets Carnival

The Hondo Elementary Parent-Teacher Association will sponsor an annual Halloween Carnival on Wednesday night, Oct. 30, there will be an athletic contest on Wednesday night.

The usual carnival will be followed by a parade of costume youngsters. The parade route goes to the carnival grounds. All sorts of amusements and games will be available at nominal costs.

Proceeds go to the PTA, which turns over the money to purchase for the elementary grades at both Lacy and Lacy schools.

Approximately \$900.00 taken in and distributed to the individual classes for their own needs.

City Council Considers Hondo Civil Defense

Meeting Thursday in regular session, the City Council discussed the Civil Defense program for Hondo.

Councilmen talked of the possibility of getting a first aid class started and they requested Lee Moss to speak to the Hondo Lions Club on the topic Wednesday and Mrs. Johnnie Delavan to speak to the Hondo Business and Professional Women's Club to find out whether or not enough interest is shown to have a class.

Air Field Fire Chief H. H. Tausch has conducted previous courses in other towns and if enough interest is shown locally, he may be able to teach one here.

The council also discussed the condition of the disposal plant and its lease arrangement.

HAB Rumors, Students Still Fly

Rumors and rumors about rumors are the only source of information at present about the status of Hondo Air Base. One authoritative fact from Walter Gunstream, general manager, is this: The Air Force is re-studying all its training activity to determine what to do about various bases, and there will be a decision probably about Nov. 1.

Hondo officials are encouraged, since the Hondo record is much better in recent months than it was a year or two years ago.

One local citizen talked to a visiting general, who had to ask that he not be quoted by name, and the gist of his conversation went like this. "In view of the recent satellite developments, the entire defense picture of the United States will be thoroughly examined, and probably no bases or training facilities will be shut down until Washington has decided which course to follow in the future."

This was his opinion, but it is a good opinion in that he is in contact with top thinking.

In the meantime, new students have arrived. Housing is still hard to find, of the type wanted.

County Teachers To Organize

All teachers in Medina County are invited to a meeting Monday Oct. 28, in Devine. The affair will get under way in the Devine high school auditorium at 7:30 p.m. and is being called for the purpose of re-organizing a Medina County chapter of the Texas State Teachers Association.

Supt. R. D. Evans of Devine, in issuing the call, said that Medina County is the only county in the Alamo district that does not have a TSTA unit.

Speakers from the state and district offices will be present.

VFW Sponsors Annual Turkey Shoot

Hondo's Veterans of Foreign Wars will hold their 9th annual Turkey Shoot Nov. 3rd, at the rear of Carters Drive Inn, Highway 90 east, where a range is being built.

In addition to the turkey target, one shooting stand will be used for gun owners, desiring to zero in their pieces, for deer season. For this service a small fee will be collected.

Last year about 2000 rounds of "ammo" were fired and 47 Thanksgiving turkeys, were bagged.

This annual shoot is the primary fund raising effort the post holds annually and it draws shooters, men and women from a wide area.

Starting at 8 a.m., the shoot ends at 4 p.m. Shooters may attend at any hour, as there is no waiting, team or group shooting.

Portion of County Designated In New Under Ground Reservoir

According to County Judge Arthur Rothe, an order designating Subdivision No. 1 of the underground water reservoirs in the Carrizo-Wilcox Sands is soon to be filed in the Medina County Clerk's office. Those sands include portions of Dimmit, Zavala, Maverick, Uvalde, Medina, Frio and LaSalle Counties.

Judge Rothe pointed out that the area does not cover all of Medina County but only across the southern edge all the way across from east to west. Another

water district covers the northern portion of the county, and so far, no district claims the central portion of the county from east to west.

The Board of Water Engineers, meeting Aug. 21, 1957, considered the matter of designating and defining the subdivision of the underground water reservoir in the Carrizo-Wilcox sands in Uvalde, Medina, Bexar, Maverick, Zavala, Frio, Atascosa, Wilson, Dimmitt, La Salle, McMullen, Live Oak and Karnes Counties.

After considering all evidence, the Board found that an underground water reservoir does in fact underlie and exist in that portion of Texas of which the area lying within Dimmit, Zavala, Maverick, Uvalde, Medina, Frio, and La Salle Counties forms a part, but that its boundaries require further study in order to define and designate definitely the entire underground water reservoir.

And also being of the opinion that "the underground water reservoir can be subdivided, and that a portion of said reservoir as herein defined is such that withdrawal of water from any other part of such reservoir will not unreasonably affect the underground water supply of said defined subdivision thereof, based upon known geological and hydrological conditions and relationships and upon foreseeable economic development at this time

The Board of Water Engineers "definitely defines and designates a portion of the area lying within Dimmit, Zavala, Maverick, Uvalde, Medina, Frio and La Salle Counties, Texas, as 'Subdivision Number One of the Underground Water Reservoir in the Carrizo-Wilcox Sands'; said Carrizo-Wilcox sands as used herein includes the Carrizo sand and subsurface rocks of the Wilcox group, said subdivision Number One of the Underground Water Reservoir in the Carrizo-Wilcox Sands."

Hondo, Castroville Cancel Games Because of Sickness

Fred Bell, Superintendent of Schools in Castroville, phoned the Anvil Herald Wednesday afternoon to say that the homecoming game between Castroville and Brackettville, to have been played Friday night, has been cancelled because of the illness of eight of the Castroville squad.

Bell stated that they had to forfeit the game to Brackettville. He also said that all homecoming activities have been postponed until November 15.

The Junior high school football game between the Hoots and Pearsall, which was to have been played Thursday night, October 17 in Hondo, has been cancelled.

Twenty out of twenty-nine of the Hoots are sick with colds or flu, which is the reason for cancellation of the game.

The Hondo Owls are reported in good shape with one exception — Coach Max Carver. The coach and his family have had the flu, and Carver was out of school this week.

Supt. J. G. Barry said Wednesday that 150 students were out because of illness, out of about 1250 total.

New Key Rate Cuts Fire Insurance

The new key insurance rate for Hondo went into effect Oct. 1, according to word received here by insurance men.

Savings are substantial, amounting to as much as 20 per cent on many policies.

Priest Rises To Monsignor

The Rev. Henry S. Herbst, formerly priest at LaCoste, has been elevated to the rank of Monsignor in the hierarchy of the Catholic Church.

The title is bestowed upon priests, by the Pope, for distinguishing themselves by their piety and effectiveness in the work.

Investiture will probably be in December in the Cathedral in San Antonio.

Father Herbst has been pastor of the SS Peter and Paul Catholic Church of Floresville since July, 1954.

Petition Annexation

Several residents of the north and east part of the Hondo area, which is being considered for annexation to the city, were present Tuesday night at a planning and zoning commission meeting in the courthouse.

All the qualified resident voters present signed a petition for annexation, according to Hugh H. Meyer, chairman of the zoning commission.

A copy of the petition has been left at Cuellar's Grocery, and other signatures are expected.

Milk Bowl Most Sought After For Invitation

Thousands of "small fry" football teams took to the gridiron this past week for a season of hopeful wins and an invitation to the most sought after bowl game in history — the ninth annual Milk Bowl in San Antonio, Texas.

Hundreds of teams — with players not older than 14 and weighing less than 120 lbs. — will apply for the honor of meeting Texas' best small fry team in Alamo Stadium on December 28. Scouts, sports-writers and Milk Bowl officials will be previewing the best in the Lone Star State and the best in the other 47 states, Canada and Mexico during the forthcoming weeks for suitable opponents.

The two invited teams will not only play in a bowl observed by the nation, but in one comparable with Cotton and Rose Bowls — complete with pre-game festivities, queen contest, visiting celebrities (including "Gunsmoke's" James Arness), halftime ceremonies, postgame banquet and presentation of awards and the eagerly awaited visit to the fabulous King Ranch near Kingsville, Texas, at the special invitation of owner Bob Kleberg. They will not only see the greatest cattle and ranching empire in the world, but will view the King Ranch's great racehorses.

Sponsored by the Alamo Heights Lions Club, the Milk Bowl selection committees considers small fry teams playing in after-school programs for orphans, recreation associations, neighborhood clubs, private and parochial schools and civic groups. Those interested should contact Harry Evans, Milk Bowl National Commissioner, 808 Majestic Building, San Antonio, Texas.

CONSIDER COUNTY AID

The Commissioners Court, meeting Monday for October, considered the cases of four persons getting county aid.

The court ordered that Jose Perales, who has been getting \$30, to be given \$25 monthly and that Hilana Vega and Mrs. Florencia Guerra, both of D'Hanis, be taken off county aid.

They ordered that \$40 be sent to W. R. Jenkins, Devine due to the extended illnesses and hospitalization of family members.

Has Texas Scholarship

Twenty-eight University of Texas students have received \$100 Achievement Scholarships for the fall semester. They were chosen on the basis of "demonstrated participation in student activities" and scholarship.

Scholarship winners include Norma Gaye Griggs of Castroville.

MAJORETTES OF THE OWL BAND for '57-'58 are these high school girls. Left to right are Joylene Tilley, Gradene Rogers, Head Majorette Roxene Schwears, Laura Meyer and Carol Dee Parsons.

fletcher davis

"I was not quite twenty-one years of age when I secured a contract to carry the United States mail from San Antonio to Eagle Pass and that from Eagle Pass to Fort Clark. The length of the first route was one hundred and sixty-two miles, and I was required to make the round trip once every six days. The post offices were Castroville, New Fount, D'Hanis, Sabinal, Uvalde and Eagle Pass, from which place the mail was carried to Fort Clark, a distance of fifty miles, by George Swanda whom I hired for that purpose.

"My outfit consisted of a three-seated hack, capable of carrying six persons, that was drawn by a pair of mules, which I drove myself. Stations were established at suitable distances, where I changed teams; and as I have sublet the route to Fort Clark, Eagle Pass became the terminus of that under my immediate control.

"My regular charge per seat, for a thorough passage, was twenty dollars, but it was seldom that all seats were occupied.

"The road was always beset by many dangers, and I considered myself extremely fortunate after passing through them. The frontier was practically unprotected against the Indians who were then plentiful, and they made raids with impunity through Medina, Uvalde and Atascosa counties, where they killed and plundered the people. The Eagle Pass and El Paso roads were continually infested by them, and those who traveled those routes always tempted Providence unless they were strong enough in number to resist an attack.

I often saw the trails of marauding parties of Indians where they crossed the road and have found the mutilated bodies of many men lying where they had been murdered. I frequently traveled the route alone, and it is remarkable that on such occasions I was never molested, and the exceptions were when I had one or more passengers in my coach. The risks were so great that business men would rarely travel the route alone, but armed parties of several who were well supplied with arms and ammunition.

"On one of my trips in 1866, I was traveling westward entirely alone, and when about eighteen miles from Eagle Pass I drove into a camp, about three o'clock in the afternoon, where nine Mexican carts were standing by the roadside. The bodies of the drivers were scattered around where they had been killed and some of them scalped by Indians. Evidently the murders were committed not more than three hours before and apparently when the men stopped for dinner.

"I did not waste much time making investigations after seeing that they were all dead, but hurried onward as fast as possible under a dread of the barbarians who might have lingered in that vicinity. I reported the tragedy to the authorities immediately after my arrival at Eagle Pass. The bodies were brought in that night and buried the following day in the public graveyard. One of the unfortunate was Felipe Calabera, a nephew of Jesus Calabera, who now lives on South Laredo Street in front of Emil Oppermann's store. If the Indians were followed I cannot recall the fact, but as such murders were frequent, and as it was not troublesome to find the perpetrators at any time, it is probable that no action was taken to have them punished.

"The Indians sometimes were very bold, and on one of my trips to Eagle Pass, in 1866, they exhibited their audacity as thieves in the vicinity and the performance caused the good people of that town considerable inconvenience. It happened in connection with a patriotic occasion, on the 4th of July, when the citizens were enjoying themselves at a ball, that was given in honor of our national anniversary, to which everybody was invited.

You get SO much more when you BUY a new GAS range...

"BURNER WITH THE BRAIN"

New automatic top burner "feels" the temperature of the pan... automatically adjusts to the temperature you preselect. Perfecting every time. No burning. No scorching. And because you don't have to pot-watch, the rest of your meal-getting is simplified, too.

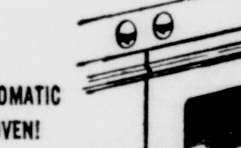

BUILT-IN MEAT THERMOMETER!

Tells you at a glance how the roast is doing. Measures the temperature inside the meat as it cooks... and registers the temperature on the back rail of your range. You get better roasts more conveniently every time.

OVEN ROTISSERIE!

Let's you enjoy all the fun and flavor of outdoor barbecuing right in your kitchen... any time of the year. Self-basting as it rotates—gives better results! The rotisserie slips out easily for convenient cleaning and storage.

AUTOMATIC OVEN!

Amazing! Just set it and forget it. Controls govern both time and temperature... turn oven on and off automatically whether you're out of the kitchen or out of the house. Handy window allows you to see your food cooking.

EASIEST TO CLEAN!

Parts remove easily—wash clean in a jiffy. Surfaces are smooth with rounded corners—porcelain enamel and handsome chrome stay lustrous and bright. Gas is the cleanest, most dependable cooking fuel there is.

IT'S HOLIDAY RANGE ROUND-UP

Top trade-ins... easy terms... low, low prices are now being offered by gas range dealers. Take advantage of this big opportunity to trade your old stove... save on a new gas range during Holiday Range Round-Up.

SEE YOUR DEALER OR UNITED GAS FOR LOW DOWN PAYMENT... EASY TERMS Finance your gas appliance through the United Gas Appliance Purchase Plan. Payments arranged to suit your needs.

GAS brings you modern living... automatically UNITED GAS SERVING THE Gulf South

BEGINNING CHAPTER FIVE OF THE SANTLEBEN STORY

"HOW COME THE FLOOR IS PAINTED RED?"

County Should Have Pride In Neat, Pretty Parks

BY JERRY JUNE BERGER

Nobody living in a city or town wants it to look ugly — everyone wishes his community to be beautiful. And actually it costs far less in the long run to make and keep a city that way instead of ugly.

In this regard, we think the cities and towns of Medina County deserve big bouquets for keeping their "front yards", so to speak, in eye-appealing condition. To get down to specific cases, we mean the right-of-way along major highways in Medina County.

Drive into the county on Highway 90 from San Antonio, and you're bound to notice the landscaped plaza in downtown Castroville. A group of hard working garden club women are responsible. On up the Castroville hill, the highway department maintains a lovely look-out over the valley and just west of the Hondo bridge, five miles from the county seat, is another well kept roadside park.

Then one arrives in Hondo. Here, instead of the weedy and trash-catching highway and railroad right-of-ways, which once greeted passengers along our major thoroughfare, we find grass covered parkways with blooming shrubbery and trees over an area of nine blocks. This has grown from a small beginning of one park to its present size thanks to the persistence of the Hondo Garden Club and the cooperation of the city, railroad, Hondo Future Homemakers and highway department.

Now the most recent addition to Highway 90 beautification is in D'Hanis on past Hondo where the Future Homemakers of the high school have created a park and are presently preparing beds for more shrubbery and flowers to be added to the roses and crepe myrtle already established. Assisting them with the project have been the D'Hanis Lions Club, the railroad and the Future Farmers chapter.

But not only is the northern side of the county keeping their highway in a better than respectable condition, Devine has not failed to get into the act too.

At the intersection of Highway 173 and Highway 81, Devine Garden Club members have planted and are maintaining parkways on each of the four corners.

No doubt about it, civic pride is contagious, and speaking for one citizen of the county, we're mighty happy all these cities have "caught" the beautification bug. A big bouquet to each of them!

Here In Hondo

M&M Grady Smith, Sandra and Linda visited his mother at Center Point Sunday.

Mrs. Katie L. Muennink returned home Friday after a few days visit with her son and family, M&M Edgar Muennink and daughters at Alice and her daughter and family, M&M C. C. Cook and son at Premont.

Joyce Wiemers of New Fount spent Sunday with Kathleen Wiemers.

Seco Philosopher Wonders If Manned Flight Into Space Will Be A Big Joke On The Scientists

Editor's note: The Seco Philosopher in his Johnson grass farm seems to be undisturbed about the Russian satellite, his letter this week indicates.

Dear editor:

Last week it wasn't necessary to go out of your way at all to get hold of the main topic of discussion throughout the world — that satellite the Russians shot out into space, and while I have not heard of anybody around here who has seen it, I'll admit if they're like me they haven't tried very hard.

If it's passing over my farm every 95 minutes, it's all right with me. There's no law against it.

But I have been thinking. Now I understand some people in the United States are concerned over the fact Russia got a satellite up first, but it doesn't bother me. I figure we'll get one up before long. The secret of a satellite is sort of like the secret of the bicycle — it's pretty generally known in scientific circles.

But what does interest me is this. I feel sure we can get a small satellite up into space, with a man on board, and I'm sure we ought to do it.

But I've been thinking, what a joke it would be on the scientists if after we spend several

billion dollars, get the rocket ship up all right, and the man on board successfully sails it around throughout space for a few days and then radios back: "Well, I've been around the moon twice, I've traveled a hundred million miles in every direction I can think of from the earth, I've explored everything I can find out here, and while I hate to say this, I know you've spent a lot of money getting me and this rocket ship into outer space, BUT THERE AIN'T NOTHING OUT THERE. I can't find a blamed thing out here worth having and you can see just as much of nothing as I can by looking straight up from where you're standing on earth. No trees, no rivers, no land, no people, just a lot of nothing and a million or so monotonous stars that sun-burn you if you get close. If it's all right with you, I'd like to come back down. I'd even enjoy arguing with my wife. Anything to get away from all this blank space."

Now I'm not saying this is what'll happen, we ought to go ahead and see anyway, but we ought to keep in the back of our mind that it's possible a twinkling star is sort of like a movie actress — it looks a lot better from a distance.

Yours faithfully, J.A.

PERSONAL APPEARANCE

BY JERRY JUNE BERGER

Medina County doesn't seem to be a very romantic place lately. Ordinarily there are several marriage licenses issued every week — we usually check the list on Monday — and there have been none issued for the past three Mondays. Not one purchased since Sept. 23.

Off bar hunting (and all hunting too) in Colorado this week are STAN HOLLAND, now of New Braunfels, and CHARLES TONDRE, WOOD CHAPMAN, F. R. E. SCHILLING and HERMAN SCHILLING all of Hondo. The men left early Saturday morning on the jaunt, even though the season doesn't open until Wednesday — apparently had to go on and case the place. They're returning about next Tuesday, but meantime their headquarters are DeQuette, Colo.

Also in Colorado, but in more "settled" country are BOB and WILLA KOLLMAN. Their granddaughter, little MARIE MOORE, is having her tonsils removed Wednesday, and the KOLLMANS are due back home this weekend after a five-day visit with CAPT. and MRS. BOB MOORE and family in Denver.

Out west last week, but not in Colorado, were DR. and MRS. E. L. KELLEY, who were in New Mexico on cattle business. Neighbor, MRS. FRANK W. LIAMS, was guardian of their two youngsters, GLORIA and BOBBY, while they were away on the three-day trip.

Texas really fought a whole game Saturday in their football bout with Oklahoma — holding them to 7-7 through half-time. That Okie power finally came through in the closing minutes, running the score up to 21, but even then was small considering that the have neither lost nor tied a game in 43 starts.

Hondo had a chance to win two former high school stars in action too. RICHARD SCHULTE, or DICK as he called him on TV, played part of the last half, and JERRY MUENNINK played part of the fourth quarter. That's good for a couple of supermores.

We were amused to hear the most of Oklahoma's star players are Texas boys. It seems they go everywhere recruiting players and it turns out to find the best ones south of the border. Being a Texan, I suppose we could brag a little about this.

EDRA and HORACE CRAM are considering taking a weekend trip up to the State Fair in Dallas and she has "My Lady" first on the list of things to do. Their daughter, RITA, is more concerned about something else, though — wondering what kinds of things she'll find on the midway.

There are a couple of interesting results when men of the street department go around painting those bright yellow lines which designate where to park a car. Not only is a car to get a car in the right place, but also the streets get a sweeping. Makes the downtown area look tidy.

We understand that some PRESIDENT EISENHOWER former staunch supporters regretting that they were one person put it, "If we were going to elect a golfer, certainly why we didn't elect a good one — maybe BEN HOGAN."

LETTER TO THE EDITOR

Dear Editor,

This is to inform you of change of address of Sgt. J. Haby, USS4174999, B Co, Company, 48th Infantry Bn, Ft. Polk, La.

I wish to express my thanks all the Anvil Herald editors who made it possible for me to receive my edition every week throughout my hitch in the home town paper is a morale factor in any man's life. Keep up the work.

Please send my next edition of the Anvil Herald to Mr. Charles J. Haby, Rio Medina, Texas. Yours faithfully, Sergeant

HONDO

10 FROM AREA ENROLLED AT S. W. T. T. C.

Eight students from Hondo, one from LaCoste, and one from Yancey have enrolled at Southwest Texas State Teachers College for the fall semester.

Final official enrollment at Southwest Texas hit 2,254, according to Dr. Joe Wilson, registrar.

The students from the Hondo area are Clyde Bohmfalk, son of Mr. and Mrs. Frederick W. Bohmfalk, Marvin Holliday, son of Mr. and Mrs. M. P. Holliday, Miss Gayle Knight, daughter of Mr. and Mrs. H. D. Knight, Miss Mantha Scott, daughter of G. W. Scott, Miss Dorothy Leinweber, daughter of Mr. and Mrs. F. J. Leinweber, John Wright, son of Mr. and Mrs. Frank T. Wright, his brother Fred Wright, and Lloyd Hardt, son of Mr. and Mrs. Anton J. Hardt, all of Hondo.

And Harvey Kunze, son of Mr. and Mrs. George Kunze of LaCoste, and John Fasel, son of Mr. John G. Fasel of Yancey.

LETTER TO THE EDITOR

Mr. Wm. E. Berger
Anvil Herald
Hondo, Texas
Dear Bill,

I read with considerable interest your re-print of the editorial by Mr. Oheim of New Braunfels. I found myself in disagreement with the general theme of the article concerning the Little Rock segregation problem. By listing the points of disagreement, and attempting to match them with logical reasons for another point of view, I wound up with almost an editorial of my own.

With Mr. Oheim's dislike of the President's military background there can be little argument, for it is an opinion. It is true that previous activities and training of a man in the office of President would influence his thinking and habits. Some of these influences may not be desirable in a chief executive. A man with a purely political background may well have acquired characteristics as undesirable as those generated by military service. At least one point in favor of the successful military man is the self-discipline required of those who command and enforce discipline. We are thus spared government administration by petty rage.

The President is directly responsible for the administration and enforcement of the law as enacted by the Congress and interpreted by the Supreme Court. Whether the president is a man with a military background or a product of non-military political party machinery has no bearing on the order for troops to move into Little Rock. It was a civil order, resulting from the complete failure of the "elected representatives" to uphold the law, or to maintain the personal safety of the people concerned.

It would have been naive indeed to have expected the people obstructing the integration of the school to quietly walk away after picketing the school for a few days. Having successfully disobeyed the law with no interference from the "elected representatives," thus implying their approval, the group would have arrived at the inevitable destination of every mob—violence and murder. Some people will be quick to point out that this is hypothetical. It might never have happened that way. I should like to ask if those people would have been willing to stand trial as accomplices for any crimes the mob may have committed had the troops not been moved in. This was the type of "insubordination" that any president, military or not, could not tolerate.

The editorial contains another debatable statement. "If President Eisenhower honestly feels that the Constitution of the United States is being endangered by mob rule in Little Rock, he is doing right in calling out troops, but the final decision as to whether Eisenhower's opinion is correct will rest with the people of the United States." The political implications of this incident will no doubt affect elections for years to come, and in this sense the statement is correct. But the outcome of mob violence, or even the possibility of mob violence, transcends the "final decision" of the people of the United States. It becomes a moral question of right and wrong, and the responsibility for this decision must come from higher authority than either the president or the people. One of the weaknesses of the democratic form of government is the assumption of righteousness by the majority.

The further statements are made: "...no matter how desirable something may seem it is not worth destroying our pattern of life to force it upon people who are not ready for it." And, "It would be a horrible world if you and I had the right to force our notions on everybody and they had the same right to force their notions on us." These statements must apply only to white people since it is hardly reasonable to assume that the Negro people have adopted the second-class citizen role by choice. The rights of a human being, a citizen of the United States, as described by the Constitution and its amendments, the laws guaranteeing

those rights in the courts, in industry, in the Armed Services—no discussion of these is evident in the editorial. Instead the question of integration of schools, which is based upon the premise of equal educational rights for all, is thrown into a hodge-podge of personal preference items. Since Mr. Oheim did not state his position either for or against vegetarianism or nudism, I will not attempt to debate these subjects.

One other quotation is worthy of note. "People in Little Rock that have been beating up Negroes have broken the law and should be punished—by Little Rock courts and by their fellow citizens." Having seen published pictures of the frenzied efforts of the Little Rock police to stop these beatings, I should like to add the following to the foregoing quote: FAT CHANCE.

If it were necessary to protect the colored students and disperse a mob, as I believe, what group of men was available to the president to do the protecting? Fortunately, we have no SSS, OGPU, secret police or other groups which have proved so adept at dispersing people. In Texas a couple of Rangers could have handled the job. But a Ranger is a walking symbol of a lot of things Texans hold dear, and it would take a very foolhardy man who would risk slapping the state in the face. He might also get shot. An American G I was the best man the president had. The people with whom he had to deal knew his uniform, they knew why he was there, they knew he bore them no personal enmity, and they also knew that his commanding officer would see to it that any personal feelings he had on the subject would be kept to himself. Most important, they knew what his orders were and how to avoid getting into trouble with him. I don't know if the instruction was given, but most any ex-G I would know that is most unwise to try to disarm a paratrooper.

Basically, the right of anyone to his personal opinion is not questioned. If a man does not like the Negro race, does not want to associate with them, it is his business. If he feels no remorse in maintaining a system that is designed to defeat the rights of equal opportunity, that, too, is his business. But to attack the process of law enforcement, the use of force on people who maintain the superior race standard by means of force, either direct or indirect, is hypocrisy. I believe that it is a dangerous course to follow. If one man may be deprived of his rights for one reason, another man may be deprived of his rights for another reason. It is said that the laws are confusing, but has not the intent been clear to those who were not trying to find a way around them.

Many types of government have been invented since man became a social creature. All have exhibited weaknesses. Our form is as yet too young for history to have adjudged it an unqualified success. It is entirely dependent upon the consideration one individual has for the rights of others. This requires that much disliked commodity, self-discipline. I do not recall the author of the statement, but it has been said that one who cannot discipline himself will find someone who will take over the job for him. It may be as applicable to nations as to individuals.

Sincerely,
Jos. W. Holloway.

W.S.C.S. Circles

Meet Oct. 16

Circle meetings of the WSCS of the Hondo Methodist Church were held on Oct. 9.

The Bybee Circle met at 9:30 a.m. in the home of Mrs. Paul Pope. 12 members attended. Mrs. Harold Goodenough gave a program on Charles Wesley. Recordings of several of Wesley's hymns were played during a meditation period.

Program topic for the following three Circles which met in the afternoon, was "Reports from Home Fields".

The Barnes Circle met in the home of Mrs. H. F. King with Miss Lora King Co-hostess. 14 members were present. Miss Willie D. Fly was program leader and was assisted by Mrs. W. D. Smith, Mrs. O. A. Fly, Mrs. Armin Rothe, Mrs. T. C. Barnes and Mrs. Sudie Laughinghouse.

The Bassett Circle met in the home of Mrs. Calvin Hardt at Yancey. Eleven members were present. Mrs. Eugene Kolar was speaker and Mrs. McClagherty gave the devotion.

The Reilly Circle met in the home of Mrs. Homer Wilson, Mrs. Ethel Baylor was co-hostess. Eight members were present. Mrs. Alvin Wiemers presented the program with the assistance of Mrs. Emil Muennink, Mrs. Ida Schuehle, Mrs. Wilson, Mrs. F. A. Heyen and Mrs. Albert Mumme.

Refreshments were served by all hostesses.

AS AMERICAN AS LOG-ROLLINGS

Cooperation is as old as mankind. It's as American as the old-fashioned log-rollings when all the neighbors pitched in to help a young fellow build a log cabin for his bride. Or when the whole community got together to build a little church or school. Cooperatives are as old as America, and as American as ham and eggs.

Rural electric cooperatives were set up for exactly the same reasons that folks used to hold log-rollings. They were organized to bring electric power to rural farms, homes, schools and businesses. Nobody made a profit out of the log-rollings. Nobody makes a profit out of a cooperative. But both the log-rollings and the cooperatives help folks SAVE a lot of money or get something they couldn't get at all otherwise.

Our rural electric cooperative is owned by the very consumers it serves. It is operated on a non-profit basis to provide these rural families, schools and businesses with all the electricity they want—at the lowest possible cost. Today, working shoulder to shoulder with nearly 1000 other rural electric cooperatives throughout the nation, we serve a total of over 14 million rural people.

We got together on this electric log-rolling because there was no other way to get the job done. And we are proud to say we have been successful.

MEDINA ELECTRIC COOPERATIVE, INC.

Castro Garden Club Hears Arranger

The Castro Garden Club met Tuesday, Oct. 8, at the Vance House and welcomed two new active members, Mesdames Wilfred Tschirhart and C. Mechler, who with seventeen members enjoyed the lecture and demonstration on making flower arrangements by Mrs. Lewis C. Turner of San Antonio. Flowers used by Mrs. Turner were from the gardens of the members. She reminded the Club that lovely arrangements can be made in the winter by simply using foliage.

Mrs. R. J. Schott distributed the year books.

Mrs. E. J. Conrad, Chairman of the Committee for the beautification of Houston Square, announced that due to conflicting ideas regarding the beautification of the Square the Club will make no further plans, other than to cooperate in keeping the Square graded and not an "eyesore" of the community.

Members voted to sponsor a Christmas religious scene on September Plaza and will ask the town's church choirs to sing on the first night when the scene is illuminated. It voted to donate the Santa Claus that has been used for two years to any organization that can make use of it.

Eight members attended the Garden Club Council held at Pleasanton.

LaCoste Wins Over Rocksprings 21-6

By Mrs. R. R. Koch

Among those who attended the football game at Rocksprings Friday night between the LaCoste Eagles and Rocksprings Angoras were M & M Wesley Hutzler and Peggy, M & M George Zuercher, M & M Randolph Koch, M & M Jimmy McGarth and children, Mrs. Myrtle Jungman, Matt Jungman, M & M Frank Duron and children, M & M Marcus Duron and children, Misses Annette Hitzfelder, Barbara Rihn, Alice Ann Riecherzer, Deslyn A. Adam, Karen Jungman Jackie Riddle, Brenda Joyce Zercher, Paula and Mary Ann Duron and Russell Jungman, Anthony Rihn, Maurice Biediger, Bennis Parma, George Echtle Jr. Herbert Adam and son "Cookey", Ernest Kroeger and Gilbert Duron.

The fans, football players and the coaches all came home smiling as the Eagles won 21-6.

Wallace Silver of SA visited in the George Kunze home one day the past week.

Mrs. Alvin Salzmann and grandson Pat Griffin were Lytle visitors Saturday.

M & M I. G. Harvey and children of Kingsville spent the weekend with M & M Alfred Keller and sons Alvin and Alfred Jr. and other relatives and friends.

Baby Shower Fetes Mrs. E. B. Skinner

A surprise baby shower honoring Mrs. Eugene B. Skinner of San Antonio was given by Mrs. Walter Miller of Floresville in San Antonio, on Saturday afternoon, Oct. 12.

Arrangements of white and lavender chrysanthemums were placed about the room, with the gifts placed in a pink bassinet.

After several games were played and the gifts opened, refreshments consisting of various kinds of dips, corn chips, potato chips and soft drinks were served to about fifteen guests.

Mrs. Skinner is the former Miss Jeanne Granieri, daughter of Mr. and Mrs. Joe Granieri of Medina Lake.

YANCEY OPEN HOUSE SUNDAY, OCT. 20TH

A reception on Sunday, Oct. 20, in the Yancey Methodist Church will honor Mr. and Mrs. John Bohmfalk on their Golden Wedding Anniversary.

Friends are invited to call between 2 and 5:30 p.m.

PAGING THE LADIES

Miss Sandra Sue Locklar

Engagement Announced

Mr. and Mrs. Thurman H. Johns announce the engagement of their daughter, Sandra Sue Locklar, to Lt. Gordon R. Wood, Laredo Air Force Base, son of Mr. and Mrs. F. W. Wood, Sullivan, Ill. Miss Locklar graduated from Devine High School and Durham College, Victoria. She is presently employed at the Hondo National Bank.

Lt. Wood graduated from Sullivan High School, Sullivan, Ill., and Trinity College, Hartford, Conn. (Sigma Nu). He is now with the 341st Fighter Pilot Training Wing.

The wedding will take place December 21st, First Methodist Church, Devine.

Trip Slides

The Hondo F. H. A. chapter met Monday night in the high school cafeteria. H. R. Burch showed some colored slides of his trip to the western United States.

Joylene Tilley, chapter president, presided at the business meeting. It was decided that the F. H. A. would have a Sock-Masked-Tacky Party on Oct. 23, at 7:30 p.m. Also it was decided that we should buy some crystal for the Homemaking department.

The meeting was adjourned, and refreshments of cold drinks and cookies were served.

Sorority Hosts

Meeting Sunday

Members of the local chapter of Epsilon Sigma Alpha were hostesses at a district meeting held in Hondo Sunday, Oct. 13, in the Business and Professional Womens Club hall.

Ladies from Del Rio and San Antonio made up the 25 guests present for the barbecue luncheon and business meeting which followed.

Mary Jo Patterson of Hondo won a silver tray being given by the Iota Upsilon chapter. A door prize was won by Wanda McLea of San Antonio.

The next meeting is to be held in Del Rio in January.

3rd Grade Does Show For PTA

D'HANIS — The Third Grade was presented in a program of patriotic songs and several readings at the October meeting of the D'Hanis Parent-Teacher Association. Miss Beverly Davenport gave a popular song. Directors of the program were Miss Janie Davenport and Mr. Freeland.

Bruce Dorman, president, was chairman of the business meeting and appointed committees for the various features of the Halloween Carnival which will take place October 26.

County Clerk,
Medina County, Texas

Future Farmers Chapter Initiates 22 Members

The Hondo FFA Chapter met Monday night and increased in membership by 22 members, the Vocational Agriculture I boys, who were taken into the Chapter. There were 68 boys present. President Howard Saathoff was unable to attend because of sickness. Cliff Sadler, Vocational Agriculture II Class FFA President, presided.

Two conductors in the initiation ceremonies were Bobby Stewart and George Stewart. The ceremony was conducted to each of the chapter offices where they told the meaning of the FFA emblem at their Stations; The emblem is placed under the Rising Sun which is symbolic of a new era in Agriculture; next they led to the Reporter who is elected by the U. S. flag; this is the emblem of the national scope of organization. The Treasurer presided at the Picture of the Future.

CASTRO PTA MEETS, PLANS CARNIVAL FOR OCTOBER 19

The Castroville PTA met at the
High School Monday night. The
meeting was opened with an in-
vocation by Principal Duane
Hood. A program of songs was
presented by Cappi Granieri,
Mary Ann Bayer, Mary Gale
Griggs, Betty Jean Chapman, and
Becky Thornton at the piano; Joe
Nester played a trombone solo,
also accompanied by Becky
Thornton.

The business meeting centered
around the school carnival to be
held on Oct. 19 beginning at 5 p.
m. General Chairman Jack
Mathis introduced the reports of
the various committees. Class
booths will be as follows: Mrs.
Bessie Sittre, Fish Pond; Miss
Salazar, Spinning Wheel; Mrs.
Mathis, Pie Walk; Mrs. Haby,
Hoop-La; Mrs. Burges, Train
Ride; Mr. Johnson, Number
Board; Miss Lawler, Oriental
Bazaar; Mr. Bond, Ring Toss;
Mr. Hood, House of Horrors; Mrs.
Golden, String Pull; and Mr.
Rogers, Dart Board.

The Barbecue Committee, head-
ed by Mr. Nuckles, and the ladies
of the Food Committee — Mrs.
Cullins, Mrs. Fletcher, Mrs. Saath-
hoff, and Mrs. Schott — will have
a supper ready. Coffee and cake
will be brought by the commit-
tees of Mrs. Jagge and Mrs.
Wurzbach. The Hot Dog Stand
will again be operated by Mr.
Mathis. Tickets for both the sup-
per and the coronation are being
readied by Mr. Koenig. A large
number of prizes are being
gathered by Mrs. Taylor and her
helpers.

The school Queen, now being
elected, will be presented at an
Oriental coronation. The program

will be directed by Miss Lawler,
and decorations are being pre-
pared by Mrs. Hermina Sittre.

Hostesses for the social hour
following the meeting were Mrs.
Balzen, Mrs. Groff, Mrs. Cullins,
Mrs. Jagge, Mrs. Saathoff, and
Mrs. Johnson. An assortment of
pies and cakes was enjoyed.

Coronation Festival

Three rehearsals this week will
put the finishing touches on the
1957 Coronation Festival of the
Castroville High School and Ele-
mentary School to be held Satur-
day night at 9 p.m. The candi-
dates for Empress and Princess
will wear brocade Chinese sheath
gowns, their escorts will also
wear Oriental costumes. Music
will include several choruses by
the Junior High School students,
assisted by members of the Sen-
ior High. Becky Thornton will be
the accompanist. The stage will
be decorated by the Senior Class
and its sponsor, Mrs. Hermina
Sittre. Miss Ruth Lawler is di-
recting the program.

THE WONDROUS YEARS OF OUR TIME...

Man's use of petroleum — of oil and natural gas — began
before the first records of history.
But petroleum's full usefulness to man has been a matter
of decades only.

They have been wondrous years, those decades. Years that
saw automobiles built by the millions because gasoline
was available as a cheap source of power. Years that saw
the oceans dwindle under the high speed of great ships
powered by oil. Years that saw the evolution of a more
comfortable living in homes warmed by oil and natural
gas. Years that saw rubber, fibers, paints and many other
useful items of everyday living produced from petroleum's
hydrocarbons. Years that saw the earth shrink under the
wings of the airplane, and great wars decided by the avail-
ability of oil.

Thus, the oil industry has led the way into the wondrous
years of our time. The industry, through foresight, inge-
nuity, research, and risk-taking, has found and produced the
oil required in greater quantity each year, has conserved

oil for the future, has devised the transportation systems
that move oil economically, has built the refineries and
plants that convert crude oil and natural gas to the hundreds
of useful products needed by a growing United States.

The Humble Company, founded in 1917, has participated
in petroleum's progress during four great decades, and
has pioneered in the development of many current tech-
niques for finding, producing and refining oil. This week,
with the industry, Humble invites you to consider the variety
and extent of oil's progress... Surely no other industry has
contributed more to the making of modern America.

HUMBLE OIL & REFINING COMPANY

1917 Forty years of Progress 1957

HUMBLE

Sixty people from all parts of Texas were on hand for the annual meeting of the Sixty-Plus Club in Hondo Saturday, Oct. 5. Among those present were: Seated, left to right: Mrs. Ray Taylor, Hondo; Mrs. Mary Deckert Dillard, 1733 Pasadena, San Antonio; Mrs. Annie L. Love, 202 Hickman, San Antonio, Texas; Mrs. Florence Hurt Love, 823 Cottonwood, San Antonio; Mrs. Bertha Miller Rothe, 2425 Road, San Antonio; Mrs. George Neumann, Hondo; Dr. O. B. Taylor, Hondo; and George McCall, 709

Maple, Corpus Christi. Second row, standing: W. J. Ney, Hondo; Mrs. Mamie Ernest Campbell, 2439 Austin St., Corpus Christi; Mrs. Annie Merriman Allen, 1323 Hicks, San Antonio; Mrs. Bertha Phelps Horger, 718 Hammond Ave., San Antonio; Mrs. Louisa Graff Schweers, Hondo; Miss Emma Graff, Hondo; Mrs. Minnie Bendele Mumme, Hondo; Mrs. George McCall; Mrs. Jim Merriman, 1430 Hicks Ave., San Antonio; George E. Neumann, Hondo; Mrs. Della Kempf Hay, 918 Aganier, San

Antonio; Frank Heath, Hondo; Judge A. H. Rothe, Hondo, a guest; and James Heath, Natalia. Third row, standing: Will C. Horger, 718 Hammond Ave., San Antonio; Mrs. Emma Miller Cory, 218 Steves St., San Antonio; Mrs. Helen Rothe Miller, Hondo; Mrs. Irene Roberts Wilson, 127 Addax, San Antonio; Mrs. Lennie Beal Alford, 1931 Sacramento, San Antonio; Mrs. Alice McCall Bailey, 132 Carlisle Ave., San Antonio; Mrs. Augusta Chancey King, Hondo; Mrs. Bennie Hurt Lockwood, 302 Madison, San An-

tonio; Mrs. Jessie Phelps Slater, 634 Drexel Ave., San Antonio; Jim Merriman; Adolph Graff, Hondo; Arnold A. Rothe, 103 Seale, San Antonio; and Othello B. Bradley, 704 Wheelus, Kerrville. Fourth row, standing: Mrs. Mary Tevebaugh Warden, 618 Maverick St., San Antonio; Mrs. Guinn Miller, 615 Reid Ave., Houston; Will Moore, 215 Halcyon, San Antonio; John A. Horger, Hondo; Lacy McCall, 412 Eisenhower St., College Station; Floyd Slater, 634 Drexel Ave.,

San Antonio; Sid G. Carter, Kilgore, Texas; Albert Neumann, Hondo; and Pat Miller, San Antonio. Fifth row, standing: Guinn Miller, 615 Reid Ave., Houston, Texas; Garrett Wilson, 127 Addax, San Antonio; W. N. Saathoff, 1013 E. Mulberry, San Antonio; D. E. Poteet, Texas; Ed Ney, Hondo; J. B. Hurt, 3225 W. Ashby Place, San Antonio; Ira Hurt, 305 E. Huff, San Antonio; Vernon King, Hondo; Jesse Heath, Natalia; and John Deckert, Rt. 1, Box 392 D., San Antonio.

Dr. O. B. Taylor, president of the club, urges those who want a large photograph of this picture to write for it, mailing \$1.60, which includes postage, to him in Hondo.

6 Anvil Herald, Hondo, Texas Friday, Oct. 18, 1957

REMEMBER WHEN

10 YEARS AGO
DEVINE — St. Joseph's School has been completed and a celebration is scheduled for Oct. 19. The new school, a 4 x 96 foot masonry building, embodies two classrooms and living quarters for the Sisters. First classes will be held in the school in the fall of 1948.

Hondo volunteer firemen made the trip from home-in-bed to D'Hanis in only 15 minutes early Wednesday morning when the alarm sounded the death knell of a historic D'Hanis landmark, the "Old Koch Hotel", but could not outrun the devouring hunger of the flames which had nearly destroyed the building by the time they got there.

The town of Castroville will make its second effort to become an incorporated city in the near future following favorable action by the Medina County Commissioners Court on a petition submitted this week by Ralph Tschirhart and signed by more than 50 other residents of the town. Election is slated for October 30 and Ralph Tschirhart will be election judge.

20 YEARS AGO
A campaign for the incorporation of Hondo was definitely launched at the last Tuesday night's meeting of the Dinner Club of the Chamber of Commerce. A motion had been made in September for incorporation by Alfred A. Bader but postponed until the October meeting when it was re-introduced by Frank X. Vance. A vote of 17 for to three against was recorded.

Several enterprising business men of Hondo have made plans to give a barbecue for the Hondo Owls and Pep Squad next Saturday night. The barbecue will be given in honor of the victory by the Owls over the Del Rio Wildcats last Friday.

CASTROVILLE — The high school department of St. Louis Parochial School, now fully affiliated is one of two rural Catholic high schools in the Archdiocese with that rating.

YANCEY — The Senior Class

elected the following officers: President, John Henry Muennink; Vice-president, Leroy Fasel; Secretary, Ima Crain; Publicity reporter, Mary Jane McClaugherty; Sergeant-at-Arms, Anna Lee McAnelly, Sponsor, Mr. Smith.

30 YEARS AGO
The infant son of Mr. and Mrs. W. J. Nester was baptised by Rev. T. A. Flynn, in St. John's Church Sunday afternoon, receiving the name Oscar William. The sponsors were Mr. Joe Braden of San Antonio and Miss Della Ney of this place.

D'HANIS — D'Hanis was represented at the Pearsall fair by Mrs. Erna Blalock as Princess and Misses Irene Finger and Pauline Zerr as Duchesses. Their escorts on Friday night will be Messrs Wilfred Fohn, Joe Muller and Elmer Schroeder.

LACOSTE — As Leo Etter, oldest son of Mr. and Mrs. E. L. Etter was crossing on the SP railroad east of LaCoste at Mr. Etter's farm with a wagon load of ear corn Tuesday morning his team stalled when the wagon was in the center of the track. The back wheels were against the rail and when Leo started the team, one horse broke the harness. He heard the whistle of a freight train so he unhitched his team from the wagon and tried to flag the train but the engineer failed to see him. As they came right along and smashed the wagon to a thousand bits and scattered corn in all directions.

40 YEARS AGO
Majors Burwell and Heard, the former in command of airplane No. 190 and the latter in command of Plane 309, paid Hondo a visit about noon last Sunday and stayed for something over an hour. As on their previous visit, the town was soon depopulated, people hurrying to the landing place — the Schmitt farm about one-half mile southwest of town — in every imaginable vehicle. As the planes arrived just as the congregations of the various churches were dismissed, the people hurried to "Hondo's Avia-

tion Field" and soon the places were surrounded by hundreds of people from every walk of life, all interested in inspecting the aircraft at close range. The planes that visited us Sunday and those that stopped here the previous Sunday enroute to Eagle Pass, while not exactly the same kind of machines, neither type belonging to Uncle Sam's fighting aircraft, these machines being namely pleasure and despatch carrying craft. After staying here for something more than an hour, the aviators again took to the air and after rising to heights of 5,000 or 6,000 feet, gave exhibitions of "Loop the Loop", "Tail Spin" and a few other stunts that thrilled the spectators before flying off in the direction of San Antonio. They promised, however, that they would pay Hondo another visit before a great while but said it was impossible to say just when, as they did not know themselves until a few minutes before starting.

50 YEARS AGO
Schmitt & Steinhardt's, Medina County's biggest, best and busiest store, in (in Hondo) was advertising McCall's patterns, the best patterns, made; all seams allowed for — prices 10

cents and 15 cents and McCall's magazine, 50 cents a year. Subscribe now and get one pattern free.

The cold north winds of this week have made the mosquitoes hunt a hiding place and "Ventilated" some of the rank-smelling hog pens about town. For this relief let the North Wind be duly praised.

It was the editor's privilege to spend a few hours Wednesday in D'Hanis and while there to visit the plant of the Brick — Tile Co. The materials used for making the brick is a kind of shale. In its natural state it is of a light grey color, but when burnt it comes out red. Immense deposits of this shale are found in a hill which is about half a mile from the factory. There is enough to last a thousand years. The present capacity is twenty thousand bricks per day. The U.S. Government has contracted to take two million bricks for the new building at Fort Sam Houston. It takes about 3 weeks to burn a kiln of bricks properly. The company is doing a fine business and they have splendid prospects for the future. The people of D'Hanis have reason to be proud of this institution.

is medicine too expensive?

NOT IF you consider that the death rate from all communicable diseases has been cut by 92% thanks to new drugs. And the increase in life expectancy is up from 59.5 years in 1935 to 70 years today.

NOT IF you remember that 20 years ago pneumonia was often fatal, and it took about 3 months' wages to pay for the hospital care and other expenses of a pneumonia case. Today, with new drugs, pneumonia is cured in days, at a cost of only 5 hours' wages.

NOW the average person spends less of his income for medication than he did 15 years ago. In 1939 Americans spent 0.87% of income (after taxes) for drugs; in 1954 they spent 0.64%.

WHEN you realize that manufacturers invest \$100 million a year in the research and development that brings you these new drugs.

THEN when you measure the tremendous health benefits, you will agree that today's medicines are your biggest bargains. As your pharmacists, we proudly help bring these benefits to you. We are ready to serve you in all your prescription needs, drug and health supplies.

Class 4B Elects Club Reporter

Readers of 4-B story club met Friday, October 11. Eddie Berger was elected Reporter of the club. President Alfred Henderson appointed Don Faslender, Esperanza Sanchez, and Brenda Koch to plan the next program.

Chris Rath reported on the book, "Wild Bill Hickok Tames the West," by Stewart H. Holbrook. Esperanza Sanchez told the story, "The Boy Who Went to the North Wind." Jane Gilbert gave the poem, "A Thought," by Robert Louis Stevenson.

Quihi News

By Mrs. Jack Sharp

The Methodist Church at New Fountain is having a revival meeting this week. Rev. Nolan Vance of Rosenberg is doing the preaching.

There seems to be quite a bit of illness in our community, mostly just "colds".

M&M Jack Sharp were Sunday dinner guests of M&M J. F. Smith.

Rev. and Mrs. Wm. Durkop of the Lutheran Church are vacationing in St. Paul, Minnesota.

M&M Alfred Saathoff, M&M Clarence Saathoff and M&M Matt Saathoff honored their daughters, Willie Jean, Emabelle and Lynette, with a birthday party at the Dunlay store on Saturday night. Decorations consisted of saddles, bridles, bells, horseshoes, hay and a large scarecrow with a shot gun. The dancing was done under the lights of lanterns, but when it came time to play cards, they went back to "modern living", in the form of electric lights. Refreshments of soda pop and cake were served to the forty-five guests.

Those who enjoyed a barbecue dinner with M&M Rolf Saathoff and children, Bruce and Connie on Sunday were M&M Ehme Saathoff and children, Emaleon, Loretta and J. E., M&M Matt Saathoff and children, Lynette, Joan, Madelyn, Yvonne, Curtis and Butch; M&M Alfred Saathoff and daughters, Willie Jean, Dolly and Patricia; M&M Jesse Burger and children, Jesse Ray, Margery and David; M&M Herman Gerdes and Archie Ray; M&M Arthur Schulte and Lonnie Marie and Mrs. Hubert Burger.

M&M Wilkes Wiemers were SA visitors on Wednesday and Friday. Wednesday was a special day with them; their twenty-third anniversary. Their daughter, Doris of SA, spent the weekend with them. Other visitors in the Wiemers home were M&M H. C. Krause of SA on Monday.

SAINT LOUIS SCHOOL NEWS
Tuesday, October 8, the photographer came to take individual pictures of all the students.

Bishop Leven visited St. Louis School on October 8. He visited all the class rooms for a few minutes.

The Junior class paper has been published for the last three weeks. It has been enjoyed by all the students and some of the recent ex-students.

The 6th grade girls of St. Louis met with Mrs. Estelle Strayhorn on October 4, to elect 4-H officers for the 5-58 term. The following were elected: Sharyn Mechler, president; Meldred Wurzbach, vice president; Yvonne Tondre, secretary; Carolyn Jagge, treasurer; Shirre Haby, council delegate; Mary Boehme, reporter; and Betty Tschirhart, Barbara Tondre, Annette Tondre, and Diane Mechler, recreation leaders.

LACOSTE NEWS

By Mrs. Ida Jungman

M&M A. C. Heath and daughters Sharon and Pam, of here, spent two days in Dallas and Ft. Worth, seeing the State Fair and visiting M&M Claude Beard while there.

Mr. Milton Heinam and brother of Seguin camp up Tuesday and took their father Mr. Paul Heinam home with them after being quite ill in Castroville Hospital.

W. D. Bohmfalk of Hondo and Mrs. Minnie Bruck of Quihi and Mrs. G. C. Fredrick of SA, were visitors with M&M Wm. F. Neuman during the week.

M&M A. E. Salzman and daughter Imogene of SA took a trip to Houston over the weekend and visited with M&M R. D. Large and family there.

M&M Geo. Zinsmeyer spent Sunday afternoon with the Frank Zinsmeyer family near Mico.

Mrs. Harold Nester and children of D'Hanis were Sunday guests of her mother, Mrs. Alvina Salzman.

Sunday dinner guests in the home of M&M H. B. Miller and family were M&M Wm. J. Engelbrecht and sons Barry J. and Tommy of SA. On their way home drove by and called on Mrs. Mary Jungman and Mrs. Helen Burrell, near Castroville.

Mrs. A. N. Mangold of Rt. 4 SA and Mrs. Ida Jungman were over in Hondo Tuesday and visited briefly with the H. B. Millers.

M&M Bernard Jungman and children of Kingsville were up for the weekend in the homes of M&M Alf. Keller and A. E. Jungman.

Mrs. Irene Salzman made a business trip to Hondo Monday.

Mrs. Jim Onion and children

Bohl, Deceased, late of Medina County, Texas, by the Hon. A. H. Rothe, County Judge of said County, on the 30th day of September, 1957, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claims against said estate to present them to her, within the time and in the manner prescribed by law, at her residence, in LaCoste, Texas.

Dated on this, the 30th day of September, 1957.
Florentine Bohl
Executrix of the estate of William Bohl, Deceased. (4tc40)

Sixty people from all parts of Texas were on hand for the annual meeting of the Sixty-Plus Club in Hondo Saturday, Oct. 5. Among those present were: Seated, left to right: Mrs. Ray Taylor, Hondo; Mrs. Mary Deckert Dillard, 1733 Pasadena, San Antonio; Mrs. Annie L. Love, 202 Hickman, San Antonio, Texas; Mrs. Florence Hurt Love, 823 Cottonwood, San Antonio; Mrs. Bertha Miller Roth, 2222 North Ave., San Antonio; Mrs. George Neumann, Hondo; Dr. O. B. Taylor, Hondo; and George McCall, 709

Maple Seco Ney, I Camp Christ Allen; Mrs. Hamm Mrs. I do; M Mrs. Hondo Mrs. Ave., Neum Hondo; and George McCall, 709

R

10 YEARS AGO

DEVINE — St. Joseph's School has been completed and a celebration is scheduled for Oct. 19. The new school, a 4 x 96 foot masonry building, embodies two classrooms and living quarters for the Sisters. First classes will be held in the school in the fall of 1948.

Hondo volunteer firemen made the trip from home-in-bed to D'Hanis in only 15 minutes early Wednesday morning when the alarm sounded the death knell of a historic D'Hanis landmark, the "Old Koch Hotel", but could not outrun the devouring hunger of the flames which had nearly destroyed the building by the time they got there.

The town of Castroville will make its second effort to become an incorporated city in the near future following favorable action by the Medina County Commissioners Court on a petition submitted this week by Ralph Tschirhart and signed by more than 50 other resident electors of the town. Election is slated for October 30 and Ralph Tschirhart will be election judge.

20 YEARS AGO

A campaign for the incorporation of Hondo was definitely launched at the last Tuesday night's meeting of the Dinner Club of the Chamber of Commerce. A motion had been made in September for incorporation by Alfred A. Bader but postponed until the October meeting when it was re-introduced by Frank X. Vance. A vote of 17 for to three against was recorded.

Several enterprising business men of Hondo have made plans to give a barbecue for the Hondo Owls and Pop Squad next Saturday night. The barbecue will be given in Honor of the victory by the Owls over the Del Rio Wildcats last Friday.

CASTROVILLE — The high school department of St. Louis Parochial School, now fully affiliated is one of two rural Catholic high schools in the Archdiocese with that rating.

SETTLEMENT NEWS

By Mrs. R. H. Bayer

M&M Allen Haby and M&M William Wengenroth took a small vacation over the weekend by going to Corpus Christi Friday and returning home again Sunday evening.

Henry Gross and M&M J. D. Schweers made a trip to the Gross ranch last Tuesday. What a change rains can make.

M&M Elmer Biediger visited with M&M Erwin Biediger Thursday.

A baby girl is the newest addition to the M&M Webster Haby family. The little newcomer is the granddaughter of M&M Louis Mehr and T. Haby.

Mrs. Scholastica Haby and Mrs. Apal Onia Tschirhart of Castroville took care of the Allen Haby place while they and Wengenroths spent the weekend at Corpus Christi.

Mrs. Robert B. Breiten Jr., Clifton Lee and Mrs. J. M. Horecka were San Antonio visitors Thursday afternoon.

Mrs. August Tschirhart spent Thursday night with M&M Wil

fred Moehring.
M&M Louis Mehr visited with M&M Ben Haby and Kate Mechler Tuesday.

Mrs. Scholastica Haby and Mrs. Apalonia Tschirhart visited Friday afternoon with Mrs. Rosa Carle and Henry.

M&M Louis Mehr visited with M&M Wilfred Hoffman at Hondo Tuesday.

M&M J. D. Schweers called on Mrs. Lina B. Fuos Friday afternoon.

Miss Carmen Bayer of SA spent the weekend with her parents M&M R. H. Bayer of the Settlement.

M&M J. D. Schweers visited Thursday afternoon with the Robert B. Breiten Jr. Family.

Mrs. Haby visited with Mrs. J. D. Schweers Saturday afternoon.

M&M J. M. Horecka and Barbara Ann called on M&M J. D. Schweers Tuesday evening.

POERNER KILLS BIG RATTLER

While looking over cattle on the Gossett Ranch near the Hondo Creek, William Poerner, on his horse, looked down and thought he saw a stick move. A closer look showed that the "stick" was a diamond back rattle snake.

Dismounting, he tied his horse and began battling the reptile with rocks. After he killed it, Poerner took the snake to his house and measured it — 64 inches long and six inches around.

LAFFERTY AT HOUSTON

Pat Lafferty, son of Mr. and Mrs. E. P. Lafferty of Castroville, is a student at the University of Houston this fall. He is a sophomore mechanical engineering major.

St. David's Auxiliary Meets On 9th

The Woman's Auxillary of St. David's Episcopal Church had their monthly meeting Wednesday Oct. 9, in the home of Mrs. Bill Kelly, with Miss Thelma Lynch presiding. The devotional was presented by Mrs. Stan Benson.
One of the topics of discussion was the preparation of a luncheon for the Parish meeting Oct. 29th at the B. P. and W. Hall, with a guest speaker from San Antonio. The women also looked over the blueprints of the new St. David's Parish Hall.
Present were Thelma Lynch, Mary Renken, Dottie Kelly, Mae Rutter and Maxine Benson. Refreshments of coffee and cake were served.
The women have in their possession, Queen Elizabeth's own, favorite cake recipe, which they will share with anyone for the modest sum of 15 cents.

St. David's Bishop Group Studies New Church Plans

The Bishop's Committee of St. David's Episcopal Church met Tuesday, Oct. 8 in the conference room of Universal Rundle, with Wally Porter, Warden, presiding. Purpose of the called meeting

CARD OF THANKS

For the prayers and cards from friends and relatives in Hondo, for the recovery of my husband, who was seriously injured in an accident recently, we are sincerely grateful. He is improving at Kennedy VA Hospital, Ward 2A, Memphis, Tenn. and joins me in our thanks to our friends and relatives for their kind thoughtfulness.
Mr. and Mrs. I. H. Floyd. (1tp42)

Medina Valley Soil News

Rootplowing is gaining speed in the Medina Valley Soil Conservation District. Although this practice has only been in existence for two years in the District, farmers and ranchers have seen enough results to know that it is a good brush control and range seeding practice. Range seeding is usually recommended as most of the rangeland does not have adequate native seeds to make a quick come back. Although native grasses are still considered the best grass, blue panicum and other imported grasses are used to give the farmer a fast cover for his range.

Rootplowing is being carried out on the following farms and ranches this week. Alan Sparger farm 13 miles south of D'Hanis, Frank Silver farm 3 miles east of Black Creek, P. S. Keller farm 4 miles north of Devine, and the Jesie Koch farm 14 miles south of D'Hanis.

Waterways have been planned for the Ernest Hutzler and Henry Mueller farms of LaCoste. A waterway is a very important practice on cultivated land. They are necessary to carry outside water safely through cultivated land to a safe outlet.

Winter legume time is here. Now is the time for all farmers to plant their winter legumes. Winter legumes play an important part in replacing nitrogen and organic matter to our soil.

Lawrence A. Rothe of D'Hanis was selected this year as the outstanding Soil Conservation District Supervisor for the Medina Valley Soil Conservation District. A gold certificate of merit was presented to Rothe by W. W. Bain, President of the Medina Valley State Bank of Devine. Bain was chairman of the nominating committee for the Texas Bank and Trust Company of Dallas. Rothe deserves this recognition as he has been one of the leading men in the District on range work and the planting of grasses.

Garden Club Meets Friday

The Hondo Garden Club met in the Medina Electric Co-Op auditorium on Friday, Oct. 12.

Mrs. Bill Berger introduced the guest speaker who was Mrs. Martha Baker owner of Williams' Flower Shop. She demonstrated arrangements using green foliage and leaves which might be found in any garden or home.

Mrs. Walter Bendele gave a talk on suitable plants and ferns for shady places.

Mrs. Fabian Garrison reported on the Flower Show at Medina. It was attended by Mesdames Garrison, Sam Lanham, Riggs Shepperd and Lloyd Kelley.

Mesdames Kohler and Ben Oefinger reported on the Flower Show in San Antonio and another in Uvalde.

Hostesses for the meeting were Mesdames Geo. M. Dawson, J. W. Hollaway and Ralph DeMontel.

Owls Rock Devine

By Georg Gaston

A flock of victory-hungry Owls, capitalizing on a standstill performance by an aggressive line and the M.P. (Mercer and Potsavich) duo, charged onto the turf Friday night and proceeded to turn Barry Field into a corral of bewildered Devine Warhorses as they lassoed the favorites, 20-12.

It was a terrific struggle of give-and-take, with either opponent never out; but in the end it was desire and hustle on the part of the home forward wall and a vaulted one-two offensive punch that tipped the scales in the Owls favor and gained them the winners circle for the second time in the pre-district warm-up tilts.

Exploding with perhaps the finest hour of his already browsing ball-totting career was the Owls' Billy Potsavich. His number 72 was all over the field as he carried for an amazing 33 times and caught a 19 yard pass to amass an even more astounding 247 yards, a nights work surpassing Devine's total yardage.

Teaming with the Owls' Mr. Outside was Mr. Inside, Sidney Mercer, as he carried a workmanlike 27 times to pile up 94 yards. Spearheading the Owl defense once more was Gary Schweers along with a hardnosed freshman guard Fred Graff, each ringing up 6 tackles to tie for the top spot. Butch Smith continued his good play at defensive end with a runner-up 5.

FIRST QUARTER

Winning the coin toss, Hondo chose to receive and quickly followed with the drive that carried them to a first half lead. The Owls took the ball on their own 33 and never stalled as 11 plays later Potsavich climaxed the 67 yard drive by going over standing up from the 4 with 5:31 minutes gone. His PAT split the uprights and the Owls led 7-0. The big play during the scoring march came on a 4th down-1 yard to go situation on the home 42; but here as many times during the night the Owls clutch-minded offense clicked with style as Mercer slashed his way 8 yards to keep the scoring wheels rolling.

The rest of the period went by rather casually with neither team making a real pass at the double stripes and ended with Thomas Schulte puntine out for the Owls to the Devine 48.

TOO LATE TO CLASSIFY

FOR SALE: Push-type royal vacuum cleaner, attachments, good condition, \$10, HA 6-3478, Mrs. Albert Bryant. (1tc42)

LOST: \$5 roll of dimes, between bank and depot if returned, reward given. HA 6-2250 (1tc42)

CARD OF THANKS
I wish to thank my friends and relatives for the lovely cards and flowers sent me during my recent illness. SECOND QUARTER

Devine tried desperately to get back in the ballgame and it was this over-anxiety that perhaps marked their jittery play in the second stanza. However, the Owls could not find the right scoring combination to cash in on the breaks and the first half ended with the Owls winning 7-0.

On the third play Hondo's Jimmy Applewhite made a diving recovery to give the Owls possession squarely in midfield. However the Owls failed to cash in on this opportunity as an interception bogged down their charge on the visitors 25. Devine's Van Damme, after the Warhorse attack stalled again, placed his toe to a beautiful 52 yarder that rolled dead on the home 1; but again Devine blew their chances as an over-anxious Warhorse touched the pidge to bring it back to the 20. From here the "home heroes" again marched to the Devine 25 where a passing attack failed. Two plays later Schweers recovered a loose pigskin for the Owls, and they were in threatening position once more. But time was short and the clock ran out with the Owls pressing on the Devine 10.

THIRD QUARTER

The two teams rushed back after the intermission to lock horns in a battle-filled stanza that had the spectators in a frenzy. Devine, on the receiving end of the second half kick-off, followed the Owls example to the letter as they also marched 57 yards to their first TD with Tschirhart plunging over from the 2 at 6:12; but the conversion failed and the Owls still led, 7-6. The ensuing kick saw Hondo make another stab at the visitors goal but, helped by a holding penalty, Devine managed to hold and forced the Owls to punt. The visitors took over on the 15, pushed to first down on the 26, and then it happened! QB Ridgeway kept the ball on a sneaker and shocked the home partisans as he raced 74 sensational yards to put the Warhorses in the lead with but 28 seconds remaining in the quarter. The PAT failed and Devine led 12-7.

But the flock refused to play dead at a time when one could already picture a letdown, and the visitors' TD stirred rather than killed their morale. Bobby Ward made a fine kick-off return to the Hondo 38 and as they huddled, the stands pleaded for and got the TD. Billy Potsavich brought the house down on a great 62 yard sprint to put the Owls in a lead they never relinquished. He slipped through the left side on a quickie, stumbled past the diving safety man, and continued to outrace clock and all as he crossed the goal line with the scoreboard showing 0:00. He followed with his second point-after-touchdown of the night and the third period ended with the score Hondo 14, Devine 12.

FOURTH QUARTER

From then on it was all Hondo. Devine took the K-O but was held by a fired-up home defense on their own 40 with 4th and 1 as Charley Newman stopped a sweep attempt cold. Here the "night birds" took over and continued to slash their way to the visitors 5 only to see Mercer fumble the oval across the goal line. But he soon redeemed himself as nothing could stop the Owls now. On the very next play Graff recovered an enemy fumble on the Devine 24 with but 4:35 left and the Owls quickly cashed in on the gift by crushing their way to their last TD with Mercer bulging over from the 1 to add the frosting to the victory cake with but 37 seconds remaining. The PAT was blocked. Devine tried two desperation passes but all in vain and the seconds ticked away to gain the Owls triumph, 20-12.

Attends Funeral

Mrs. Sam Lanham received word Tuesday morning of the death of a six-year-old nephew, Michael Nash, of Waco. She left Hondo that morning for Waco where funeral services will be held later in the week.

HOOTS JOLT CARRIZO

In a Junior High game Thursday night at Barry Field, the Hondo Hoots crushed Carrizo Springs 34-0. Combining a bone-crushing defense with an exciting offense, the Hoots never gave the visitors an inch as they rolled to a 28-0 half-time advantage and coasted the rest of the way.

HB Dale Lindeburg set up the first TD on a long 65 yard jaunt to the Carrizo 10. Two plays later and Alfonso Gonzales, speedy Hoot halfback, swept 8 yards at 8:19 of the first quarter for the initial marker and the Hoots never were slowed again. Adding to the first period 7-0 advantage were Gonzales with an 18 yarder and FB Julian Tijerina who carried the mail for the third score. A fine 40 yard pass from QB John R. Schuele found its mark to E. Charles Ham finished the first half and the score stood Hoots 28, Carrizo 0.

A sub-filled Hoot lineup was held to but one marker on Jesse Cardenas' 40 yard runback of an interception; but the little Owls had long since tamed the Wildcats and bagged their second straight success 34-0.

Devine: Touchdowns: Tschirhart (4 yards, plunge) Ridgeway (74 yards, run)

Hondo: Touchdowns: Potsavich 2 (4 yards, plunge; 63 yards, run) Mercer (1 plunge) Conversions: Potsavich 2.

Bridge Tourney To End 23rd

The B&PW Bridge Tournament will be held at 8 p.m., Oct. 16, at the B&PW Hall, and will end play Oct. 23. The cash winner to be announced at that time.

It was voted, at their recent meeting, that these tournaments be discontinued.

Established 1891

Survey takers, out gathering figures on hunting and fishing, have come up with some rather amazing statistics.

For example: More people hunt and fish than take part in all spectator sports combined.

Fortunately there is going to be a bountiful supply of fish and game for all these anglers and shooters. Building of many new lakes, stocking them, and good rains this year will mean many fish.

Deer and turkey, along with antelope, once faced extinction in Texas. Game management programs and favorable conditions afield have brought back the deer and the turkey populations and put them in proper balance.

Viewers of the situation are pleased. But they see a need for more and better facilities and accommodations for the hunter and the fisherman.

Belligerent Blacks

The best black bass fishing I know is in one or two South Texas lakes. I was down there the other day when the blacks were hitting surface lures like mad.

In this particular lake there's a wooded area, with plenty of weeds and brush. The bass abound there. They are infuriated by the noise of a topwater lure.

I had spectacular success with one lure that had a spinner aft. The sound it made was like a school of minnows in flight.

One thing we noticed was that a hooked fish was nearly always followed to the boat by one or two of his fellows. When I hooked one, my partner cast to the same spot to try for the other fish. I did the same when he had a fish on. Sometimes this strategy paid off.

It was a great day and a great place for bass fishing. The weather was cool enough, except just in the middle of the day. We drifted around, among the old mossy trees, casting into the shade where bass were hiding. Very often, after a twitch of the lure, a bass hit. Before the end of the day, we had our limit of blacks.

That kind of fishing is rare, but there will be more of it during the coming months, as this year's fine crop of young bass reaches maturity.

If you hanker for bass, plan to be in your best fishing spot during February and March.

Whoopers Moving

The big whooping cranes are in process of moving from their breeding grounds in Canada to their winter home. Eight adult and two young birds have been sighted on the wing.

Whoopers move along by easy stages. Usually they begin arriving at their Texas refuge about the middle of October or later. Laggards will trail along at intervals.

There are only about 30 whooping cranes alive now. In flight, they appear as huge, white birds, with jet-black wing tips, red-crowned heads and long legs trailing. Please don't shoot them!

A Few Quick Ones

Word reaches us that the hottest duck hunting grounds during the coming season will be in far Southeast Texas, around Beaumont. There is water in the marshes to entice the quackers. Hunting should be excellent.

Sportsmen's Clubs of Texas is timely in planning now to inaugurate a firearms training program. With deer and turkey season just around the corner, people will be conscious of safety precautions necessary to prevent hunting accidents.

Cecil Reid, SCT executive secretary, said the plan is designed mainly for teenagers and "would hinge on gun safety, but naturally would include emphasis on the handling of modern weapons, some of which are much more complex than the old type one-shot hammer gun."

Well Mr. Reid sure has got something there. In the old days a shot gun was either a single barrel, and not much complication either way. Today's shotguns — and rifles too, for that matter, are as intricate as can be. And maybe more so.

D'Hanis Seniors Choose Louis Lutz As President

By Mrs. Amos Finger

D'HANIS — The Senior Class of D'Hanis High School elected the following officers for the year: president, Louis Lutz; vice-president, Patsy Turner; secretary, Barbara Weyand; treasurer, George Tovar; and Student Council representative, Dorothy Zerr. The class colors are red and white, the flower is red and white carnation, the song is "Moments to Remember", and the motto is "We have crossed the bay; the ocean lies before us." Miss Carrie Langefeld and Miss Janie Davenport are Co-sponsors.

Mrs. Herman Ney and Miss Tina Rothe spent Monday in SA with their sister, Sister Mary Margaret, of St. Joseph's Hospital, Fort Worth. Sister had come to Santa Rosa Hospital to be present at a groundbreaking ceremony preparatory to the erection of a children's hospital unit.

M&M W. G. Haile of SA were dinner guests of the John Riebers Sunday.

Mrs. Henry Franger spent the weekend in SA with her children the H. A. Olfers family.

Herb Zinsmeyer, Harlan Wolff, Othell Batto, and Mike Finfer, students at the University of Texas, were at home for the weekend.

Guests of M&M Frank Surovik on Sunday were M&M Louis Ernst and M&M Albert Krunksky of SA.

Mrs. Alvina Koch returned home after several weeks medical treatment in SA and is doing well.

Horace Langfeld flew in from Midland, to spend the weekend with his parents, M&M Henry Langfeld and sister Barbara.

M&M Mitchell Koch and family of SA entertained their guests, M&M Richard Carle and M&M Milton Carle and son of SA, Mrs. Alvina Koch and Miss Hilda Nester with a barbecue dinner at the Koch ranch, Sunday.

M&M A. L. Braden and Mrs. Alma Burks spent Sunday in Hondo with M&M Bill Broden and their daughter, Shirley, who was home from Dallas.

W. J. Koch of SA visited his uncle Ed. S. Koch on Monday.

M&M Curtis Jackson and son from SA visited with his parents M&M Frank Jackson on Sunday. Ed. Koch spent Sunday with his children, M&M Francis Koch and family on their ranch south of Dunlay.

Cynthia Kay, infant daughter of M&M Robert Rothe was baptized in Holy Cross Church Sunday with Rev. O. C. Mailloux officiating. Sponsors were Mrs. Wayne Cheney and Harlan Wolff. W. B. Carmichael has resumed his work as foreman of the D'Hanis section maintenance on the Southern Pacific Railroad. He was in West Texas for a brief time while the section here was closed.

M&M W. W. Kellogg spent Sunday at Utopia with the Glen Schaeffers.
